Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Tekamah Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Tekamah Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

Incentive transfers

The Tekamah Housing Authority does not offer any incentive transfers.

16.5 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Tekamah Housing Authority and the family rejects two offers without good cause, the Tekamah Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Tekamah Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 Cost of the family's move

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible

unit); or

- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Tekamah Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Tekamah Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 Tenants in good standing

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Tekamah Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 Transfer Requests

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Tekamah Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Tekamah Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Tekamah Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 Right of the Tekamah Housing Authority in transfer policy

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

(1) Capital Fund Program Annual Statement

Using parts I, II, and III of the Annual Statement for the Capital Fund Program (CFP), identify capital activities the PHA is proposing for the upcoming year to ensure long-term physical and social viability of its public housing developments. This statement can be completed by using the CFP Annual Statement tables provided in the table library at the end of the PHA Plan template **OR**, at the PHA's option, by completing and attaching a properly updated HUD-52837.

Select one:

- ☐ The Capital Fund Program Annual Statement is provided as an attachment to the PHA Plan at Attachment (state name)

-or-

- ☒ The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The need we currently have greatly exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Capital Fund Program Annual Statement is based on the best information that was available to the Tekamah Housing Authority at the time we prepared the Annual Statement. Unfortunately, we are not aware of the exact amount of Capital Funds that will be available for our use in the affected fiscal year. When the specific amount is known, we may need to make required revisions to this Statement.

We have prepared our Capital Fund Program Annual Statement based on our award notice; \$35,138.

At the time this plan was being written, our planned capital improvements and estimated costs were:

Work to be Performed	
Combination windows with Low-E glass, re-glazing of inner windows and labor	\$27,950
Repainting, repair apartments	2,000
Removal of 2 garbage enclosures and replacing with a shaded viewing and waiting area	5,188
Total	35,138

The listed items have not all been formally bid and the estimated amounts are based upon our experience in managing the authority. When the bidding is completed for these projects, we may be able to allocate funding among these projects differently. If our next REAC Inspection indicates any work to be performed, we will prioritize that work in our current capital fund budget. In addition, we anticipate that during the course of the ensuing fiscal year we will be in a better position to know the amount of Capital Funds we can expect to be allocated over the next five years.

NOTE: The Tekamah Housing Authority specifically reserves the right to make changes to this annual statement as better information becomes available.

☒ The Capital Fund Program 5-Year Action Plan is provided below: (if selected, copy the CFP optional 5 Year Action Plan from the Table Library and insert here)

We have prepared our Capital Fund Program Optional 5-Year Action Plan Table based on the amount we received for Federal Fiscal Year 2000. For the Federal Fiscal Year ended September 30, 2000 we were allocated \$35,138. We have projected this same amount for the next five fiscal years.

Please note that we have not provided preliminary cost estimates for all the work items we plan to accomplish through September 30, 2004. As an interim measure, we have assembled our best estimate of the costs for the work that we wish to accomplish by June 30, 2004. In addition, we anticipate that during the course of the ensuing five fiscal years we will be in a better position to know the amount of Capital Funds we can expect to be

allocated over the next five years and we will have a more accurate cost estimate of the improvements that we wish to accomplish.

NOTE: We specifically reserve the right to revise this 5-Year Action Plan as newer, better information becomes available and our needs change.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Tekamah Housing Authority's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Tekamah Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Tekamah Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Tekamah Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Tekamah Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Tekamah Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Tekamah Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Tekamah Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request

accommodations and the guidelines the Tekamah Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Tekamah Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 *COMMUNICATION*

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 *QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION*

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Tekamah Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Tekamah Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Tekamah Housing Authority will not inquire as to the nature of the disability.

C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

7. 1. Would the accommodation constitute a fundamental alteration? The Tekamah Housing Authority's business is housing. If the request would alter the fundamental business that the Tekamah Housing Authority conducts, that would not be reasonable. For instance, the Tekamah Housing Authority would deny a request to have the Tekamah Housing Authority do grocery shopping for a person with disabilities.
8. 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Tekamah Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

D. Generally the individual knows best what it is they need; however, the Tekamah Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Tekamah Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Tekamah Housing Authority's programs and services, the Tekamah Housing Authority retains the right to select the most efficient or economic choice.

7. The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Tekamah Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Tekamah Housing Authority will seek to have the same entity pay for any restoration costs.
7. If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Tekamah Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The Tekamah Housing Authority will endeavor to have access to people who speak languages other than English in order to assist non-English speaking families. To meet these needs, the authority will utilize other resources in the community to facilitate communications. These resources may include the local school district employees, city employees, and others from the local community. The Tekamah Housing Authority has not had any requests for information from non-English speaking persons in the past.

4.0 FAMILY OUTREACH

The Tekamah Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

The Tekamah Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Tekamah Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy

- B. Income Limits for Admission
- C. Schedule of Flat Rents
- D. Current Schedule of Routine Maintenance Charges
- E. Dwelling Lease
- F. Grievance Procedure
- G. Fair Housing Poster
- H. Equal Opportunity in Employment Poster
- I. Any current Tekamah Housing Authority Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

Tekamah Housing Authority
211 South 9th Street
Tekamah, NE 68061
(402) 374-1740

Applications are taken to compile a waiting list.

Completed applications will be accepted for all applicants and the Tekamah Housing Authority will verify the information.

Applications may be made in person at the authority's office during regular business hours. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Tekamah Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Tekamah Housing Authority to make special arrangements. A Telecommunication

Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is (402) 723-4250.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Tekamah Housing Authority will make a preliminary determination of eligibility. The Tekamah Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Tekamah Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Tekamah Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Tekamah Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

- 1.
2. There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. 1. 7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

7. B. Income eligibility

1. 1. To be eligible for admission to developments or scattered-site units that were available for occupancy before 10/1/81, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.

1. 2. To be eligible for admission to developments or scattered-site units that became available on or after 10/1/81, the family's annual income must be within the very low-income limit set by HUD, unless HUD grants an exception. This means that without a HUD exception, the family income cannot exceed 50 percent of the median income for the area.

1. 3. Income limits apply only at admission and are not applicable for continued occupancy.

1. 4. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Tekamah Housing Authority.

2.

3. 5. If the Tekamah Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.

1. 6. Income limit restrictions do not apply to families transferring within our Public Housing Program.

1. 7. If there are no eligible families on the waiting list and the Tekamah Housing Authority has published a 30-day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed.

7. C. Citizenship/Eligibility Status

1. To be eligible each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).

2. Family eligibility for assistance.

1. a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
- b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the noncitizen rule)
- c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

7. D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one.

7. E. Signing Consent Forms

3. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.

2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Tekamah Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy; and
 - b. A provision authorizing HUD or the Tekamah Housing Authority to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
 - d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

7.
 8. A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Tekamah Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Tekamah Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
 7. B. The Tekamah Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 4. 1. History of meeting financial obligations, especially rent;
 5. 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or

welfare of other tenants;

4. 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
4. 3. History of disturbing neighbors or destruction of property;
4. 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
4. 5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Tekamah Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Tekamah Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

4. 1. A credit check of the head, spouse and co-head;
5. 2. A rental history check of all adult family members;
6. 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Tekamah Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
7. 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
9. 5. A check of the State's lifetime sex offender registration program for
- 10.
- 11.
- 12.

The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Tekamah Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Tekamah Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Tekamah Housing Authority's decision. For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 *OPENING AND CLOSING THE WAITING LIST*

As of the time this policy was prepared, the Tekamah Housing Authority has never closed its waiting list. However, the authority reserves the right to do so under the following guidelines:

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preferences, and then in order of date and time of application; and
- C. Any contacts between the Tekamah Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family is about to be offered a unit, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Tekamah Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The Tekamah Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Tekamah Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Tekamah Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;

- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Tekamah Housing Authority will be sent a notice of termination of the process for eligibility.

The Tekamah Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Tekamah Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Tekamah Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Tekamah Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Tekamah Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Tekamah Housing Authority will select families based on the following preferences:

- A. Families who are elderly, disabled, or handicapped will be offered housing first. Families who are near elderly will be offered housing after elderly, disabled, or handicapped. All

other families will be offered housing if no elderly, disabled, handicapped, or near elderly families are on the waiting list at the time of the vacancy.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
1	1	2

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons.

In determining bedroom size, the Tekamah Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

10.3 SELECTION FROM THE WAITING LIST

The Tekamah Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

The Tekamah Housing Authority consists of 26 public housing units in one project. The Authority does not recognize a concentration of poverty in its one project. It is Tekamah Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments.

10.5 DECONCENTRATION INCENTIVES

The Tekamah Housing Authority does not offer any deconcentration policies. Please refer to section 10.4 for an explanation of the authority's composition.

10.6 OFFER OF A UNIT

When the Tekamah Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit.

The Tekamah Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Tekamah Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Tekamah Housing Authority will notify the family by telephone or send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than thirty (30) days after the date of acceptance.

The applicant will be provided a copy of the lease, the grievance procedure, the rules of occupancy, and a request for reasonable accommodation form (if requested.) These documents will be explained in detail.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Tekamah Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to \$50.00.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

- 1.
2. To determine annual income, the Tekamah Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Tekamah Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

1. Annual income means all amounts, monetary or not, that:
 - A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
 7. B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
 - C. Are not specifically excluded from annual income.

1. Annual income includes, but is not limited to:

7. A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- 8.
9. B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- 10.

11. C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- 12.
13. D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- 14.
15. E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- 16.
17. F. Welfare assistance.
 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 2. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to

participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.

3. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted as income.
7. G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- 8.
9. H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)
- 10.

11.2 ANNUAL INCOME

- 1.
2. Annual income does not include the following:
 - A. Income from employment of children (including foster children) under the age of 18 years;
 - B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
 - C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
 - D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
 - E. Income of a live-in aide;
 - F. The full amount of student financial assistance paid directly to the student or to the educational institution;
 - G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

H. The amounts received from the following programs:

1. Amounts received under training programs funded by HUD;
2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);

9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
 - i. Is authorized by a Federal, State or local law;
 - ii. Is funded by the Federal, State or local government;
 - iii. Is operated or administered by a public agency; and
 - iv. Has as its objective to assist participants in acquiring employment skills.
 - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
 - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
7. 11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
 8. 9. a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
 10. 11. b. Families whose income increases during the participation of a family member in any family self-sufficiency program.

12.

13. c. Families who are or were, within 6 months, assisted under a State TANF program.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
7. 14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
7. 15. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:
- a. The value of the allotment of food stamps
 - b. Payments to volunteers under the Domestic Volunteer Services Act of 1973
 - c. Payments received under the Alaska Native Claims Settlement Act

The following deductions will be made from annual income:

- 7. A. \$480 for each dependent;
- 8.
- 9. B. \$400 for any elderly family or disabled family;
- 10.
- 11. C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.

- 12.
13. D. For any elderly or disabled family:
14.
 15. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;

12.0 VERIFICATION

The Tekamah Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed

through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Tekamah Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the Tekamah Housing Authority will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Tekamah Housing Authority has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the Tekamah Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

7. The citizenship/eligible noncitizen status of each family member regardless of age must be determined.
7. Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a Social Security card, birth certificate, military ID, or military DD 214 Form.
7. Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.
7. Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Tekamah Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Tekamah Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Tekamah Housing Authority will mail information to the INS in order that a manual check can be made of INS records.
7. Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.
7. Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.
7. Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

- 8.
9. If no family member is determined to be eligible under this section, the family's eligibility will be denied.
7. The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.
7. If the Tekamah Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

7. Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.
7. The best verification of the Social Security number is the original Social Security card. If the card is not available, the Tekamah Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.
7. If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Tekamah Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.
7. If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.
- 8.
9. If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.

7. A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
7. B. Families who opt for the flat rent may request to have a reexamination and

return to the formula based method at any time for any of the following reasons:

7. 1. The family's income has decreased.
7. 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
7. 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

13.2 THE FORMULA METHOD

- 7.
8. The total tenant payment is equal to the highest of:
9.
 - A. 10% of monthly income;
 - B. 30% of adjusted monthly income; or
 - C. The welfare rent.
- 7.
8. The family will pay the greater of the total tenant payment or the minimum rent of \$25.00.
- 9.
10. In the case of a family who has qualified for the income exclusion at Section 11.2(H)(11), upon the expiration of the 12-month period described in that section, an additional rent benefit accrues to the family. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received.

13.3 MINIMUM RENT

The Tekamah Housing Authority has set the minimum rent at \$25.00.

13.4 THE FLAT RENT

The Tekamah Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its condition, amenities, services, and neighborhood. The Tekamah Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change.

Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The Tekamah Housing Authority will post the flat rents at each of the developments and at the central office and are incorporated in this policy upon approval by the Board of Commissioners.

13.5 CEILING RENT

The Tekamah Housing Authority has elected to implement flat rents in lieu of ceiling rents.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

7. A mixed family will receive full continuation of assistance if all of the following conditions are met:
 - A. The family was receiving assistance on June 19, 1995;
 7. B. The family was granted continuation of assistance before November 29, 1996;
 - C. The family's head or spouse has eligible immigration status; and
 - D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The Tekamah Housing Authority will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the Tekamah Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Tekamah Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The Tekamah Housing Authority shall provide the following utilities as a part of this lease agreement but shall not be liable for the failure to provide service if beyond its control:

	LANDLORD PAID	TENANT PAID
Heat	X	
Electricity	X	
Hot Water	X	
Sewer	X	
Water	X	
Trash Removal	X	
Other	None	

7.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at the authority's office. Reasonable accommodations for this requirement will be made for persons with disabilities.

If the rent is not paid by the seventh of the month, a Notice to Vacate may be issued to the tenant. In addition, a \$10 late charge will be assessed to the tenant. An additional late charge of \$1 per day will be assessed for each day after the eighth that rent is not paid. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$25 for processing costs.

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement

14.2 EXEMPTIONS

7.

8. The following adult family members of tenant families are exempt from this requirement.

- 7. A. Family members who are 62 or older
- 7. B. Family members who are blind or disabled
- 7. C. Family members who are the primary care giver for someone who is blind or disabled
- 7. D. Family members engaged in work activity
- 7. E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- 7. F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

- 7. The Tekamah Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.
- 7. The Tekamah Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Tekamah Housing Authority shall verify such claims.
- 7. The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Tekamah Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

- 7.
8. Together with the resident advisory councils, the Tekamah Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

7. At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Tekamah Housing Authority will do the following:
 - A. Provide a list of volunteer opportunities to the family members.
 - B. Provide information about obtaining suitable volunteer positions.
 - C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
 - D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
 - E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Tekamah Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

7. The Tekamah Housing Authority will notify any family found to be in noncompliance of the following:
8.
 - A. The family member(s) has been determined to be in noncompliance;
 - B. That the determination is subject to the grievance procedure; and
 - C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

7.

14.7 OPPORTUNITY FOR CURE

7. The Tekamah Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.
7. The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.
7. If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Tekamah Housing Authority shall take action to terminate the lease.
- 8.

15.0 RECERTIFICATIONS

At least annually, the Tekamah Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

7. The Tekamah Housing Authority will deliver a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent

or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

- 8.
9. During the appointment, the Tekamah Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Tekamah Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

7. A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
7. B. The amount of the flat rent
7. C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- 8.
9. D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
7. E. Families who opt for the flat rent may request to have a reexamination and

return to the formula-based method at any time for any of the following reasons:

7. 1. The family's income has decreased.
7. 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
7. 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.
7. F. The dates upon which the Tekamah Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
7. G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
7. H. A certification for the family to sign accepting or declining the flat rent.
- 8.
9. Each year prior to their anniversary date, Tekamah Housing Authority will send a reexamination letter to the family offering the choice between a flat or a formula rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Tekamah Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Tekamah Housing Authority representative, they may make the selection on the form and return the form to the Tekamah Housing Authority. In such case, the Tekamah Housing Authority will cancel the appointment.

15.4 THE FORMULA METHOD

7. During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.
7. Upon receipt of verification, the Tekamah Housing Authority will determine the family's annual income and will calculate their rent as follows.
- 8.
9. The total tenant payment is equal to the highest of:
- 10.

- A. 10% of monthly income;
 - B. 30% of adjusted monthly income; or
 - C. The welfare rent.
- 7.
 - 8. The family will pay the greater of the total tenant payment or the minimum rent of \$25.00.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

- 7. The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.
- 7. If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.
- 7. If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.
- 8.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

- 7. Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations that do not equal or exceed a \$500 change annually.
- 7. Families are required to report the following changes to the Tekamah Housing Authority between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.
 - 7. A. A member has been added to the family through birth or adoption or court-awarded custody.
- 8.
- 9. B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Tekamah Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 15.8.

7. Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Tekamah Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Tekamah Housing Authority may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

7. If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

7. If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.
- 8.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

1. A. To address emergency situations.
 1. B. To facilitate a relocation when required for modernization or other management purposes.

16.2 CATEGORIES OF TRANSFERS

1. Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.
1. Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.
1. Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Tekamah Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Tekamah Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

The Tekamah Housing Authority does not offer any incentive transfers.

16.5 PROCESSING TRANSFERS

7. Transfers on the waiting list will be sorted by the above categories and within each category by date and time.
7. Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.
7. Transfers in category C will be housed along with applicants for admission.
7. Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges must be paid at the time of lease execution.
- 8.
9. The following is the policy for the rejection of an offer to transfer:
10.
 11. A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
 - 12.
 13. B. If the transfer is being made at the request of the Tekamah Housing Authority and the family rejects two offers without good cause, the Tekamah Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Tekamah Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
 - 14.
 15. C. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

7. The cost of the transfer generally will be borne by the family in the following circumstances:

- 8.
9. A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
7. B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
7. C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit); or
7. D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.
7. The cost of the transfer will be borne by the Tekamah Housing Authority in the following circumstances:
 - A. When the transfer is needed in order to carry out rehabilitation activities; or
 7. B. When action or inaction by the Tekamah Housing Authority has caused the unit to be unsafe or inhabitable.
 - 9.
10. The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Tekamah Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

7. A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Tekamah Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Tekamah Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.
- 8.

9. The Tekamah Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.
7. If the transfer is approved, the family's name will be added to the transfer waiting list.
7. If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE TEKAMAH HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Tekamah Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Tekamah Housing Authority file and a copy given to the family member. An authorized Tekamah Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Tekamah Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Tekamah Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Tekamah Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Tekamah Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Tekamah Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Tekamah Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Tekamah Housing Authority will give the tenant at least two (2) days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Tekamah Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Tekamah Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Tekamah Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Tekamah Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Tekamah Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN SENIOR BUILDINGS

The Tekamah Housing Authority will allow for pets as described below.

18.3 APPROVAL

Residents must have the prior approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.

18.4 TYPES AND NUMBER OF PETS

The Tekamah Housing Authority will allow only domesticated dogs, cats, birds, and fish in aquariums in units.

7. Only one (1) pet per unit allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed twenty (20) pounds in weight.

18.5 INOCULATIONS

7.

8. In order to be registered, pets must be appropriately inoculated against rabies and other conditions prescribed by local ordinances.

18.6 PET DEPOSIT

A pet deposit of \$100 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Tekamah Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Tekamah Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance will result in the owner having to remove the pet or move him/herself.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

18.10 VISITING PETS

7.

8. The Tekamah Housing Authority does not allow visiting pets.
- 9.

18.11 REMOVAL OF PETS

7.

8. The Tekamah Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Tekamah Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Tekamah Housing Authority allow them to enter into a Repayment Agreement. The Tekamah Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

The Tekamah Housing Authority after 10/1/2000 will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Tekamah Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;

- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any criminal activity on the property or drug-related criminal activity on or off the premises. This includes but is not limited to the manufacture of methamphetamine on the premises of the Tekamah Housing Authority;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) days each year without the prior written approval of the Housing Authority; and
- M. Other good cause.

The Tekamah Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program.

20.3 ABANDONMENT

The Tekamah Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent **AND** has clearly indicated by words or actions an intention not to continue living in the unit.

When a unit has been abandoned, an Tekamah Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will

be sold. If the Tekamah Housing Authority does not have a new address for the resident, the notice will be mailed to the unit address so it can be forwarded by the post office.

If the estimated value of the property is more than \$100.00, the Tekamah Housing Authority will mail a notice of the sale or disposition to the resident and then wait forty five (45) days before sale or disposition. Personal papers, family pictures, and keepsakes can be sold or disposed of at the same time as other property.

Any money raised by the sale of the property goes to cover money owed by the family to the Tekamah Housing Authority such as back rent and the cost of storing and selling the goods. If there is any money left over and the family's forwarding address is known the Tekamah Housing Authority will mail it to the family. If the family's address is not known, the Tekamah Housing Authority will keep it for the resident for one year. If it is not claimed within that time, it belongs to the Tekamah Housing Authority.

Within fourteen (14) days of learning of an abandonment, the Tekamah Housing Authority will either return the deposit or provide a statement of why the deposit is being kept.

20.4 RETURN OF SECURITY DEPOSIT

After a family moves out, the Tekamah Housing Authority will return the security deposit within fourteen (14) or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.
